

OUR SERVICES

- *Medical Insurance*

Medical insurance takes the hassle out of being on long hospital waiting lists and at the mercy of the New Zealand public health system. We will find the best insurance plan that gives you peace of mind where and whenever you need it.

- *Income Protection*

Protect one of your most important assets – your ability to earn an income. We will find the best plan to help you continue to support your family and lifestyle if you are unable to work due to an illness, injury or unforeseen circumstance.

- *Trauma and Critical Illness*

This insurance plan is designed to pay a lump sum to you if you suffer a critical illness and to ensure that you can cope with their effects on your lifestyle, family and work. This includes Cancer, Stroke, Heart Disease and more.

- *Total and Permanent Disablement*

Permanent disability cover provides you with a lump sum payment in the event you become totally and permanently disabled and unable to work through an accident or illness.

- *Business Insurance*

This insurance is designed for business owners to ensure that their business is covered for any unforeseen circumstance. We have different types of business insurance cover to choose from that will suit any business requirements.

- *Life Insurance*

Life insurance doesn't just cover funeral costs and other bills – it buys your family the time they need to pick up the pieces after you're gone. In the unfortunate circumstances of you no longer being around, or diagnosed with a terminal illness, it's important that your loved ones and family will be taken care of financially.

- *Mortgage Insurance*

In the event that you're unable to work, mortgage insurance will secure your home. Mortgage protection kicks in with the funds to cover your monthly mortgage repayments so you can have one less to worry about while you're getting back on your feet.
